

Getting Started

1. Where is the place that you connect most with God? OR what is your favourite way to praise God?

Digging Deeper – Psalm 100

2. How does this passage describe praise?
3. What is the relationship between thanksgiving and praise?
4. Why do we have reason to praise? (be careful not to make this about what He does for you)
5. In what ways is verse 3 central to this passage?
6. What makes God good?
7. How can praise grow us as disciples?
8. What are the barriers that stop us from praising God as a spiritual disciple?
9. What does praise require of us?

How To Apply This

10. As a class come up with as many names/characteristics used to describe God
 - a. Which one(s) stand out to you right now? Why?
 - b. Without asking God for anything, praise Him using that name/characteristic.
11. How are you going to implement the spiritual discipline of praising into your new week?
 - a. Complete commitment card (will be delivered to discussion groups on Sabbath)

COMING UP AT PAPSDA

Papsda Pulpit - Podcast

For every sermon series we will be taking the sermon content from each Sabbath and uploading it onto a podcast platform. This now means that you can listen to the sermon anywhere and at any time. It also means you can easily share it with others as a tool for growth and encouragement. You will find a direct link to the latest sermon in our E-Update every Thursday or simply subscribe to the podcast (search 'Papsda Pulpit' in your podcast app) and go directly there to check out the latest episode.

Prayer Gathering – Tuesday Evenings - 7:00pm

Come along every Tuesday evening (during school terms) to a prayer gathering for all ages at Papsda from 7:00pm-8:00pm in the Lower West Wing, as we learn together how to JUST ASK, listen and grow as disciples who make disciples.

EQUIP - Elders, Deaconesses & Deacons Convention – Sat, 18 May – 2:30pm-6:30pm

Join us for a transformative training event tailored for elders, deacons, and deaconesses, featuring guest speaker Anthony Kent, Associate Ministerial Secretary at the GC.
